Symbols and Signs

The language of music uses signs and symbols as well. See if you can find the answers in the music. Draw a line between the description and their symbols.

Staff or stave = 5 lines that music is written on

Treble clef = sign to show that notes are middle to high

Bass clef = sign to show notes are middle to low

Bar line = a vertical line dividing groups of beats into bars

Double bar lines = two vertical lines to show the music has finished

crotchet = a one beat note

crotchet rest = a one beat rest

minim = a two beat note

minim rest = a two beat rest
